LETTER REGARDING PATENT TERM ADJUSTMENT

Director of the United States Patent
and Trademark Office
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Sir:

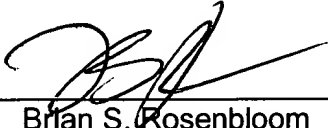

In reviewing the Patent Term Adjustment (PTA) for the above-identified patent, we believe that there may be an error in the total amount of days determined for this patent for the following reason.

The Supplemental IDS filed on March 31, 2005 does not appear in the PTA History and may have inadvertently been overlooked. Accordingly, instead of 62 days for Applicant delay, we believe that the Applicant delay would be 275 days, resulting in a Total PTA of 545 days as noted below.

USPTO Delay	820
Less Applicant Delay	<u>275</u>
Total PTA	545

In view of the above, we hereby request that the Patent and Trademark Office review this matter and determine if the Total PTA should, in fact, be revised as we have noted and issue a Certificate of Correction if appropriate.

Respectfully submitted,

By  11/18/05
